

Contractor	Subject Matter	Amount of Consideration	Start Date	Anticipated End Date	Whether contract contains provisions requiring the parties to maintain confidentiality of any of its provisions (Y/N)	Reason (s)	Whether contract contains other requirements of confidentiality (Y/N)	Reason (s)
Great Barrier Reef Marine Park Authority	Work Order for AIMS to provide services in the form of data analysis and modelling / environmental monitoring and evaluation for the RIMREP project	\$300,000.00	30/06/2016	31/10/2016	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
Department of Industry, Innovation and Science	Commonwealth Grant Agreement to provide funds to enable AIMS to carry out the ACSRF project under which AIMS will develop solutions for coastal pollution	\$1099,998.90 (GST incl)	30/06/2016	30/06/2019	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
University of Tasmania	This extension varies the existing IMOS-AIMS subcontract to enable those existing NCRIS finds already secured to flow to AIMS in a timely manner while ensuring the risk to UTAS is managed.	\$2,109,168 (Cash and In Kind)	12/07/2016	31/08/2017	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Great Barrier Reef Foundation	Funding in relation to the research project titled "Ocean Acidification: Ecological Response Analysis, and cross-platform comparison of the available carbonate chemistry data for the Great Barrier Reef"	Total Project \$305,770 (GST excl)	20/09/2016	31/10/2017	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Charles Darwin University	Co-fund Postdoctoral Research Fellowships to be appointed by the Parties jointly in order to strengthen collaboration in areas of mutual interest	Total Project \$459,650.12 (50/50 contribution between the Parties)	8/09/2016	9/09/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Anindilyakwa Land Council (ALC)	AIMS to provide professional services to the ALC to map benthic habitat, quantify fish biodiversity and assess sediments properties and contaminants in sea country surrounding the declared Indigenous Protected Area (IPA) of Groote Eylandt, and its neighbouring islands	Project total \$1,342,456 (GST excl)	7/11/2016	7/11/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Great Barrier Reef Foundation	Funding Agreement in relation to a Research Project for the Resilient Reefs Successfully Adapting to Climate Change Program.	\$250,000 (GST excl)	6/12/2016	30/11/2017	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Reef and Rainforest Research Centre	Record the amended project schedules to the Research Agreement dated 3 September 2015, varied 4 March 2016 and further varied 30 June 2016 for Round 3 of the NESP Programme research projects to be conducted from January 2017 to December 2019.	NESP cash to AIMS \$1,100,967 (GST excl)	27/01/2017	31/08/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Fitzroy Basin Association Inc. (host organisation of the Gladstone Healthy Harbour Partnership)	For AIMS to undertake coral coring in Gladstone Harbour to enable a comparison of pre and post-industrial eras	\$129,250 (GST incl) cash	17/02/2017	31/07/2017	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
University of Western Australia	To provide AIMS a licence to occupy and use certain space in the IOMRC building at Crawley, WA.	as per existing IOMRC project (AUD\$3M cash)	4/10/2016	4/10/2041	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Great Barrier Reef Marine Park Authority	Parties wish to amend the principal MMP agreement dated 4 February 2016 as varied by Deed of Variation for the 2017-2019 projects.	Total fees payable by GBRMPA \$2,268,432.75 (GST incl)	4/05/2017	30/06/2019	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
Great Barrier Reef Foundation	Funding Agreement in relation to the research project "Using genetic connectivity to improve source reef model outputs and predictions of recovery"	Total \$158,471 (GST excl)	17/05/2017	30/04/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
University of Tasmania	Record variations to the Collaboration Agreement regarding the National Environmental Science Program - Marine Biodiversity Hub dated 29 October 2015 and the new Project Agreement for Project A11.	Total \$2,833,334 (GST excl)	13/06/2017	30/12/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property

Contractor	Subject Matter	Amount of Consideration	Start Date	Anticipated End Date	Whether contract contains provisions requiring the parties to maintain confidentiality of any of its provisions (Y/N)	Reason (s)	Whether contract contains other requirements of confidentiality (Y/N)	Reason (s)
Queensland University of Technology	Co-fund two Postdoctoral Research Fellows to be appointed by the Parties in order to strengthen collaboration and provide opportunities for further studies in areas of mutual interest	AIMS/ QUT 50:50 split for annual remuneration range of \$108,796 to \$129,209 Parties to contribute \$20,000 p.a. cash for travel/consumables	21/06/2017	21/06/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Department of Environment and Energy	To engage AIMS to provide research services into the feasibility of a breeding program for the giant triton sea snail.	\$568,517 (GST excl)	20/06/2017	30/06/2019	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
Port of Townsville Limited	To obtain long term lease of suitable water area in Cleveland Bay adjacent to land lease area for berthing facilities for AIMS' vessels and where appropriate other vessels.	AUD434,750 plus GST plus outgoings (excl land tax)	1/11/2011	31/10/2036	Y	Protection of personal information	N	
Port of Townsville Limited	To obtain long term lease of suitable land adjacent to Cleveland Bay for vehicular access, administrative facilities, parking and storage to support AIMS' adjacent berthing facilities.	AUD645,000 plus CPI	1/11/2011	31/10/2036	Y	Protection of personal information	N	
The Commonwealth of Australia as represented by the Australian Research Council (ARC)	Funding to AIMS as Administering Organisation under the Future Fellowships scheme for approved Proposal of Dr Nicole Webster to undertake the project "Revealing the structure, evolution and sensitivity of symbioses in basal metazoa".	\$710,828 (GST excl)	2012	until all parties have fulfilled their obligations under the Agreement (nominally 2012 – 2016)	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
UWA as centre agent for WAMSI; CSIRO; Western Australian Museum; Curtin University of Technology; UWA	Agreement for the execution of the Project 1.1.1 (Distribution and predictors of benthic biodiversity) and the facilitation of the Project within the WAMSI framework and the requirements of the State Funding Agreement.	AIMS' contribution \$2,138,206 (GST excl)	19/05/2014	30/09/2017	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Australian National University	To grant a licence to AIMS to occupy ATRF-1 and ATRF-2 Buildings located on part of ANU's land at 23 Ellengowan Drive , Casuarina, NT.	Annual Licence fee of \$20,500x20 = \$410,000	1/07/2014	30/06/2034	Y	Protection of personal information	N	
James Cook University	Participation of AIMS' Specified Personnel in the ARC CoE for Coral Reef Studies, contributions to the Centre by AIMS, AIMS' compliance with the ARC Funding Agreement between ARC and JCU and IP arrangements.	Total contributions = \$3,200,179.00	14/08/2014	on notice of termination	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Department of Science, Information Technology, Innovation and the Arts	Financial Incentive Agreement Accelerate Partnerships under which the Department is providing Financial Assistance to AIMS for the Project: Solving CoTS on the GBR.	\$491,000 (GST excl)	18/09/2014	3 months after submission of the Final Report by the Recipient	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
The University of Queensland (UQ); Great Barrier Reef Foundation (GBRF); James Cook University (JCU); Australian National University (ANU); Great Barrier Reef Marine Park Authority (GBRMPA); Bioplatforms Australia (BA);	Accelerate Partnerships Program under which the parties will undertake the Project "Coral Genomes Along Environmental Gradients" funded by the State of Queensland through the Department of Science, Information Technology, Innovation and the Arts (DSITIA) under the Financial Incentive Agreement (FIA) between UQ and DSITIA.	\$114,243 (GST excl)	20/11/2014	3 months after submission of the Final Report by the Recipient	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
University of Queensland	Variation of the Collaborative Research Agreement for the Accelerated Partnerships program to undertake the Project "Coral Genomes Along Environmental Gradients"	\$114,243 (GST excl)	7/01/2015	termination of original agreement	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Department of Land Resources Management	AIMS to undertake the "Development of a long-term monitoring program for the Darwin Harbour mangrove environment	\$389,400 (GST incl)	15/02/2015	30/06/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property

Contractor	Subject Matter	Amount of Consideration	Start Date	Anticipated End Date	Whether contract contains provisions requiring the parties to maintain confidentiality of any of its provisions (Y/N)	Reason (s)	Whether contract contains other requirements of confidentiality (Y/N)	Reason (s)
AARNet Pty Ltd	To enable AIMS to continue to access the tele-communications services provided by AARnet for the on-net and off-net facilities listed in Schedule 1 for the next 3 years with improvements and extensions over the services provided over the past 10 years at a significantly lower price	\$198,000 (GST excl)	1/03/2015	1/03/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
Florida International University	Agreement for AIMS to conduct work related to the Global FinPrint Project funded by The Paul G. Allen Family Foundation to FIU.	AIMS to receive USD\$1,620,294 In-kind contribution USD\$943,537	5/10/2015	1/06/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
University of Tasmania	NESP Marine Biodiversity Hub Collaboration Agreement under which AIMS and the University will discharge obligations under the Funding Agreement with the Department of Environment (DoE)	\$589,613 (excl GST)	29/10/2015	30/06/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
GBRF as the 'Co-ordinating Party and Participant'; BOM; CSIRO; Qld Government represented by DEHP and DSITIA (other Participants); AIMS	Amendment and restatement of the eReefs Collaboration Agreement dated 28 November 2011 to amend the original CA which addressed Phase 1 of the eReefs Program revoking BOM as the Managing Party; appointing GBRF as the Coordinating Party and transferring existing Project IP from BOM to GBRF; detailing Phase 2 of the eReefs Program; and clarifying management and administrative changes.	AIMS' total co-investment in the eReefs Project is \$1,225,000	28/11/2015	31/12/2017	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
MEP Instruments Pty Ltd	Agreement under which AIMS accepts the quotation from MEP for the purchase of the ADI 2045TI Analyser	Approx. \$154,600 (GST excl)	31/12/2015	till termination by parties (not fully performed as per Supply)	N		N	
Reef and Rainforest Research Centre	Amend Research Agreement dated 3 September 2015 following variations made by the Department of Environment and include Annexures for new projects.	\$1,868,068 (GST excl)	4/03/2016	31/08/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
University of Western Australia	Agreement to co-fund postdoctoral research fellowships in areas of mutual interest and support research collaboration by way of a joint research fund	Project Total \$1,789,382 (GST excl)	21/04/2016	21/04/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
University of Tasmania	The NESP Marine Biodiversity Hub Round 2 pursuant to the terms and conditions of the Collaboration Agreement dated 28/10/2015.	In-kind \$1,306,094 (excl GST) Cash \$1,690,072 (excl GST)	27/05/2016	30/06/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
The Northern Territory of Australia as represented by the Department of Land Resources Management	Variation to Project Agreement dated 13 April 2015 as per the Master Collaborative Research Agreement (MCRA) dated 11 November 2013 to include the Project Activity Plan for 2016/17.	\$613,500 (GST excl)	1/06/2016	30/06/2017	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
Great Barrier Reef Marine Park Authority	AIMS' personnel are to conduct the project aimed at monitoring the effects of re-zoning the GBR	\$704,000 (GST inclusive)	15/06/2016	31/12/2018	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
