

Contractor	Subject Matter	Amount of Consideration	Start Date	Anticipated End Date	Whether contract contains provisions requiring the parties to maintain confidentiality of any of its provisions (Y/N)	Reason (s)	Whether contract contains other requirements of confidentiality (Y/N)	Reason (s)
(1) Department of Industry, Innovation and Science	Commonwealth Grant Agreement to provide funds for the ACSRF project under which AIMS will develop solutions for coastal pollution.	\$1099,998.90 (GST incl)	30/06/2016	30/06/2019	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
(2) Charles Darwin University	Co-fund Postdoctoral Research Fellowships to be appointed by the Parties jointly in order to strengthen collaboration in areas of mutual interest.	Total Project \$459,650.12 (50/50 contribution between the Parties)	8/09/2016	9/09/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(3) Reef and Rainforest Research Centre	Amending Project schedules to the 2015 Research Agreement for Round 3 of the NESP Programme research projects to be conducted from January 2017 to December 2019.	NESP cash to AIMS \$1,100,967 (GST excl)	27/01/2017	31/08/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(4) University of Western Australia	To provide AIMS a licence to occupy and use certain space in the IOMRC building at Crawley, WA.	as per existing IOMRC project (AUD\$3M cash)	4/10/2016	4/10/2041	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	N	
(5) Great Barrier Reef Marine Park Authority	Parties wish to amend the principal MMP agreement dated 4 February 2016 as varied by Deed of Variation for the 2017-2019 projects.	\$2,268,432.75 (GST incl)	4/05/2017	30/06/2019	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
(6) University of Tasmania	Variations to the Collaboration Agreement regarding the National Environmental Science Program - Marine Biodiversity Hub dated 29 October 2015 and the new Project Agreement for Project A11.	Total \$2,833,334 (GST excl)	13/06/2017	30/12/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(7) Queensland University of Technology	Co-fund two Postdoctoral Research Fellows to be appointed by the Parties in order to strengthen collaboration and provide opportunities for further studies in areas of mutual interest.	50:50 split for annual remuneration range of \$108,796 to \$129,209	21/06/2017	21/06/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(8) Department of Environment and Energy	To engage AIMS to provide research services into the feasibility of a breeding program for the giant triton sea snail.	\$568,517 (GST excl)	20/06/2017	30/06/2019	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
(9) Port of Townsville Limited	To obtain long term lease of suitable water area in Cleveland Bay adjacent to land lease area for berthing facilities for AIMS' vessels and where appropriate other vessels.	AUD434,750 plus GST plus outgoings (excl land tax)	1/11/2011	31/10/2036	Y	Protection of personal information	N	
(10) Port of Townsville Limited	To obtain long term lease of suitable land adjacent to Cleveland Bay for vehicular access, administrative facilities, parking and storage to support AIMS' adjacent berthing facilities.	AUD645,000 plus CPI	1/11/2011	31/10/2036	Y	Protection of personal information	N	
(11) Australian National University	To grant a licence to AIMS to occupy ATRF-1 and ATRF-2 Buildings located on part of ANU's land at 23 Ellengowan Drive, Casuarina, NT.	Annual Licence fee of \$20,500x20 Total \$410,000	1/07/2014	30/06/2034	Y	Protection of personal information	N	
(12) James Cook University	Participation of AIMS' Specified Personnel in the ARC CoE for Coral Reef Studies.	Total contributions = \$3,200,179.00	14/08/2014	on notice of termination	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(13) University of Tasmania	NESP Marine Biodiversity Hub Collaboration Agreement under which AIMS and the University will discharge obligations under the Funding Agreement with the Department of Environment (DoE).	\$589,613 (GST excl)	29/10/2015	30/06/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(14) MEP Instruments Pty Ltd	Agreement under which AIMS accepts the quotation from MEP for the purchase of the ADI 2045T1 Analyser.	Approx. \$154,600 (GST excl)	31/12/2015	till termination by parties (not fully performed as per Supply)	N		N	
(15) Reef and Rainforest Research Centre	Amend Research Agreement dated 3 September 2015 following variations made by the Department of Environment and include Annexures for new projects.	\$1,868,068 (GST excl)	4/03/2016	31/08/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(16) University of Western Australia	Agreement to co-fund postdoctoral research fellowships in areas of mutual interest and support research collaboration by way of a joint research fund.	Project Total \$1,789,382 (GST excl)	21/04/2016	21/04/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(17) University of Tasmania	The NESP Marine Biodiversity Hub Round 2 pursuant to the terms and conditions of the Collaboration Agreement dated 28/10/2015.	In-kind \$1,306,094 (GST excl) Cash \$1,690,072 (GST excl)	27/05/2016	30/06/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property

Contractor	Subject Matter	Amount of Consideration	Start Date	Anticipated End Date	Whether contract contains provisions requiring the parties to maintain confidentiality of any of its provisions (Y/N)	Reason (s)	Whether contract contains other requirements of confidentiality (Y/N)	Reason (s)
(18) Great Barrier Reef Marine Park Authority	AIMS' personnel are to conduct the project aimed at monitoring the effects of re-zoning the GBR.	\$704,000 (GST incl)	15/06/2016	31/12/2018	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
(19) North Queensland Bulk Port	2017 Contract Variation Letter Ambient Coral Monitoring Program Abbot Point.	contract value \$159,947 (GST excl)	3/05/2017	until services completion	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(20) Director of National Parks	Memorandum of Understanding for AIMS to develop and host an Australian Marine Parks Science Atlas on AIMS' existing eAtlas platform.	\$178,390 (GST excl)	29/08/2017	31/12/2018	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
(21) Director of National Parks	Collaborative Research Agreement for DNP to provide funds for AIMS to carry out long term monitoring and post bleaching surveys at Ashmore Reef Marine Park.	\$100,000 (GST incl).	19/10/2017	28/02/2018	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
(22) IMOS (unincorporated joint venture formed by University of Tasmania, BOM, CSIRO, SARDI, SIMS, UWA and AIMS)	AIMS will continue to participate and contribute to the NCRIS IMOS Facility proposals under the 2016 Principals Participation Agreement.	AIMS total net revenue - \$2,597,648	1/07/2017	30/06/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	N	
(23) Curtin University as administering organisation, with 5 other parties	AIMS to participate in the project entitled 'coral resilience and the optimal management of biodiversity' under an ARC Linkage Grant with Curtin University as the 'administering organisation'.	AIMS' commitment over 3 years is \$141,898 ARC grant of \$221,973 over 3 years	17/11/2017	17/11/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(24) Southern Cross University (Administering Organisation) and Princeton University (Collaborating Party)	AIMS' personnel to contribute to the ARC Discovery Project "Unravelling the history of nitrogen cycling within the central GBR".	The ARC grant is providing \$332,110 (GST excl)	1/01/2017	31/12/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(25) The Northern Territory of Australia represented by the Department of Environment and Natural Resources	Annual variation to Project Agreement under the Master Agreement for the Activity Plan "Benthic Communities Hydrodynamic Modelling" for 2017/18.	\$108,000 (GST excl)	1/07/2017	30/06/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(26) The Northern Territory of Australia represented by the Department of Environment and Natural Resources	Annual variation to Project Agreement under the Master Agreement for the Project Activity Plan "Bynoe Harbour Predictive Modelling" for 2017/18.	\$113,000 (GST excl)	1/07/2017	30/06/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(27) James Cook University	The University is subcontracted to provide desktop analyses for the GBR RIMReP Project.	\$229,600 (GST excl)	22/12/2017	30/06/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(28) NHP Electrical Engineering Products Pty	Purchase Order for medium voltage equipment required for electrical infrastructure upgrade to support the Solar PV System.	\$354,145.00	18/12/2017	Supply Date	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	N	
(29) Acoustic Imaging Pty Ltd	Purchase Order for QPS Premium Bundle: R2Sonic MBES 2026 and Options	\$337,185.20	20/07/2017	Supply Date	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	N	
(30) Datacom Systems (AU) Pty Ltd QLD Division	Purchase Order for networking hardware for Townsville, Perth, Darwin: RIVERBED REFRESH license Steelhead CXA	\$164,322.40	19/12/2017	Supply Date	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	N	
(31) Great Barrier Reef Marine Park Authority	Schedule 7 Work Order for AIMS to provide expert services to assist in the delivery of the Reef 2050 Integrated Monitoring and Reporting Program Design Phase 2 (PD4-7) as per the Deed SON2615371 Environmental Research and Analysis Panel.	\$860,310 (GST incl)	2/08/2017	30/06/2018	Y	Protection of background intellectual property, trade secrets, personal information and Commonwealth/AIMS material	Y	Protection of project intellectual property
(32) HeadStart Development Pty Ltd	Subcontractor to provide project management services for the Reef Restoration and Adaptation Program design and feasibility phase.	Total budgeted cost in RRAP budget for Contractor as at 18 May 2018 = \$321,750	23/10/2017	23/10/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(33) Curtin University acting through its Centre for Marine Science and Technology (CMST)	Terms and conditions under which the Contractor will provide Services to AIMS under Themes 1 & 2 of the NWSSRP.	Theme 1 = \$847,235 (GST excl) Theme 2 = 83,000 (GST excl)	1/08/2017	1/05/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property

Contractor	Subject Matter	Amount of Consideration	Start Date	Anticipated End Date	Whether contract contains provisions requiring the parties to maintain confidentiality of any of its provisions (Y/N)	Reason (s)	Whether contract contains other requirements of confidentiality (Y/N)	Reason (s)
(34) James Cook University	Variation Agreement to vary the Subcontract Agreement dated 30 June 2017 relating to the "Maximising the benefits of spatial protections for sharks project" - project supported for an additional year (18/19).	Total increased funding: \$117, 653 (GST excl)	26/04/2018	15/02/2019	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	Protection of project intellectual property
(35) Reef and Rainforest Research Centre	Record the amended project schedules to the Research Agreement dated 3 September 2015, as varied 4 March 2016, 30 June 2016 and 27 January 2017 for Round 4 of the NESP Programme research projects to be conducted from January 2018 to December 2020.	\$1,272,376 (GST excl) to be paid to AIMS	24/05/2018	31/03/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	
(36) CSIRO, GBRF, GBRMPA, JCU, QUT and UQ	AIMS (as lead organisation) and the other parties will form the Steering Committee to establish the broad parameters for collaboration and agree to facilitate the delivery of an investment business case for government, industry and private investment over an 18month program Design Phase to validate and implement the Reef Restoration and Adaptation Program	\$1,647,667 (GST excl)	6/06/2018	project completion	Y	Protection of background intellectual property, trade secrets, personal information and AIMS/Commonwealth material	Y	
(37) University of Tasmania	AIMS continued engagement under the following projects which are newly funded or funded for a further term under Round 4 governed by the Collaboration Agreement for the NESP Marine Biodiversity Hub.	\$1,561,272 (GST Excl)	27/06/2018	2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	
(38) Great Barrier Reef Foundation (GBRF) - as Coordinating Party for the project; Bureau of Meteorology (BOM); CSIRO; the State of Queensland as represented by the Department of Environment and Science (DES)	Third Amendment and Restatement Agreement (Further amendment and restatement of the Collaboration Agreement dated 28 November 2011) to further amend and restate the Collaboration Agreement	\$310,000 (GST excl)	28/06/2018	31/12/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS/Commonwealth material	Y	
(39) The Commonwealth of Australia acting through the Great Barrier Reef Marine Park Authority	Order issued under the Deed of Standing Offer in relation to the Environmental Research and Analysis Panel between AIMS and DEE for GBRMPA to engage AIMS to provide expert services to develop and implement a process to support justifiable decisions on scaling the final RIMReP design to one or more budget scenario (a 'trade-off analysis').	\$122,500 (GST incl)	8/06/2018	26/10/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS/Commonwealth material	Y	
(40) Charles Darwin University	To support a second Fellowship under the Collaborative Agreement (Postdoctoral Research Fellowship) dated 8 September 2016 through the provision of funding by AIMS and the Research Institute of Environment and Livelihoods in accordance with this Deed.	\$450,000 (GST excl)	on signing	31/12/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	
(41) Great Barrier Reef Marine Park Authority	To continue collaboration and co-investment for the delivery of a long-term water quality and ecosystem health monitoring program in the GBR lagoon, the Marine Monitoring Program and conduct and carry out research activities in accordance with Schedule 1 for 2018-2021 financial years.	\$5,174,148 (GST excl)	on signing	30/08/2021	Y	Protection of background intellectual property, trade secrets, personal information and AIMS/Commonwealth material	Y	
(42) Curtin University acting through its Centre for Marine Science and Technology (CMST)	To amend the Contract Services Agreement commenced August 2017 by inserting an additional Scope of Works for the Pygmy Blue Whale Distribution project under Theme 3 (Threatened Species of the North West) of the Project.	\$120,000 (GST excl)	on signing	1/05/2020	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	
(43) Exploiter Pte Ltd	Agreement for Seismic Vessel Services with terms and conditions under which the Contractor will perform for the Services.	Approx \$1.7m depending on what days are actually worked	17/07/2018	30/09/2018	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	Y	
(44) Solgen Energy Pty Ltd	Solar Photo Voltaic System Design and Construct Contract to engage Solgen Energy to design and construct roof-top and ground mounted PV solar systems at AIMS' Cape Cleveland site.	\$1,744,618.20 (GST incl)	3/01/18	completion of Project	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	N	
(45) Welcon Technologies Pty Ltd	To engage Welcon Technologies to design and construct an embedded generation	\$262,709.	8/03/2018	completion of Project	Y	Protection of background intellectual property, trade secrets, personal information and AIMS material	N
